Notification to Future and Current student				
About The Course (Qualification)				
Course overview (Qualification Description)	 This qualification reflects the role of individuals who are job ready and competent in a wide range of information and communications technology (ICT) roles and apply a broad range of skills in varied work contexts, using problem solving skills and effective communication with others. The skills required for these roles may include, but are not restricted to: 			
	 database development: interpreting specifications, technical designs and flow charts, modifying software applications, constructing technical specifications from models and testing, and writing technical documents. 			
	 database maintenance: managing, cleaning, storing and verifying organisational data, and evaluating compliance with internal and external data ethics regulations and legislation. 			
	 gaming development: creating 2D and 3D modelling and animation software through scripts and storyboards. 			
	 networking: installing, configuring and testing networks and servers in organisations. 			
	 programming: building, testing and applying basic object- oriented language skills, user interfaces and software developments. 			
	 systems administration support: implementing maintenance procedures and support to help troubleshoot system applications. 			
	 web development: designing website layouts through textual and visual content transfer, search engine optimisation and simple markup language documents. 			
Licensing/ Regulatory Information	No licensing, legislative or certification requirements apply to this qualification at the time of publication.

- offer and written agreement (the contract) which is provided to the student on acceptance into the course.
- Course fees do not include computer software or textbooks which are to be purchased at the student's own cost if needed for the course.
- Non-payment of course fees may result in the cancellation of enrolment.
- International students are also required to take out Overseas Health Insurance Cover before arriving in Australia.
- Details of OSHC provider in the International Student Handbook.
- Additional costs associated with living in Australia are outlined in the International Student Handbook. Students should carefully review these costs in relation to budgeting. Further information can be found at https://www.studyinaustralia.gov.au/english/live-in-australia/living-costs.

Enrolment Process

To be able to make an informed decision about the course or any other course, prospective students are advised to:

- o Read the course-related information in this document.
- o Read information about living and studying in Australia.
- Information is available on our website <u>www.qaec.nsw.edu.au</u>
- Check if you meet the course entry requirements.

If you still have any questions, feel free to speak to us on 02 9707 4840.

Enrolment process

- 1. Get the application form:
 - A. Download from our website.
 - B. Call us or email us to send you a copy if you cannot download it.
- 2. Fill in the application, attach all the required documents.
- 3. Send the application form back to the college. Make sure you attach all the required documents including passport, qualifications, etc. as per the document checklist in the application form.
- 4. Documents can be sent to the college by E-Mail admin@qaec.nsw.edu.au
 - C. Once received, the College will assess your application and determine your eligibility for enrolment.
 - D. If the application is not complete or rejected, you will receive an email explaining the reason for rejections or explaining the missing documents.
 - E. If your application is accepted, you will receive a letter of the offer along with an international student agreement. Both together called student contract. The contract will detail the major and important information about your course. The full information is available on our website. Example of information in your contract will include:
 - Course name and code including CRICOS code.
 - Course duration
 - Course start and end.
 - Course delivery location and mood
 - Course units and any prerequisite
 - Required attendance and total hours allocated.
 - Information about refund
 - Information about privacy
 - Information about attendance and course progress
 - Information about your visa conditions.

- fees (tuition and non-tuition fees)
- Any admission conditions.
- Summary of any other important related
- F. Read your letter of the offer carefully, ask any question you may have, then sign, and send it back to the college.
- G. Once you sign your contract, you can make the payment as indicated in your offer.
- H. The college will issue your e-Coe and send it to you.

Orientation

Students are provided with an orientation and induction into the course and the Australian way of life. Orientation will include information about the college and living in Australia, accessing support services and outline the importance of visa conditions for international students.

Education Agents

A list of our education agents is available on our website http://gaec.nsw.edu.au/

Training Arrangement and Resources Requirements

• <u>Training</u>

This Qualification will be delivered over 78 weeks including:

- 60 weeks of training and assessment spread over 6 terms of 10 weeks each plus 18 weeks of holidays.
- This duration will allow learners to fully absorb the required knowledge, and to develop skills over time in the different contexts they would experience in the workplace.
- Students are required to attend 14 hours of classroom training per week including 1 hr. of assessment discussion and follow up with the trainer/assessors in class., and complete structured self-study of 6 hours per week. Homework is expected to be approximately 5 hours a week.
- Delivery methodologies employ terminology, equipment, resources, materials, contexts, practices, and activities associated with the business (or related) role in the workplace.

Queen Anne Business College has purchased training and assessment resources from RTO Works, specifically their Business Works range, and has a complete set of training materials which includes the following:

- User Guide: The User Guide provides important information relating to the delivery of quality training and assessment.
- Trainer Guide: The Trainer Guide provides the trainer with training content, activities, delivery resources, and links to videos, further reading and additional material tohelp guide delivery. The Trainer Guide is in the 'Training' folder for each unit.
- Student Guide: The Student Guide provides students with learning content, activities and links to videos, further reading and additional material to help develop knowledge and skills.
- PowerPoint presentation: Each trainer and student guide are supported by a PowerPoint presentation. The slides highlight key learning points.
- Trainer Guide Mapping: A trainer guide mapping is included with each unit of competency. It shows how the content of each guide aligns to the unit of

Approved by RTO Manager	Page 6 of 11

competency. A trainer guide mapping is found in the 'Training' folder for each unit.

• Resources, facilities, and Equipment:

- Queen Anne Business College ensures has ensured that every unit of competency in this
 qualification program has been reviewed to identify specific resource requirements
 for both learning and assessment.
- Resources provided include the following:
 - Training materials
 - Assessment materials
 - Simulated workplace facilities
 - Classroom facilities

1. <u>Training Materials</u>

Queen Anne Business College has purchased training and assessment resources from RTO Works, specifically their Business Works range, and has a complete set of training materials which includes the following:

- User Guide: The User Guide provides important information relating to the delivery of quality training and assessment.
- Trainer Guide: The Trainer Guide provides the trainer with training content, activities, delivery resources, and links to videos, further reading and additional material to help guide delivery. The Trainer Guide is in the 'Training' folder for each unit.
- Student Guide: The Student Guide provides students with learning content, activities and links to videos, further reading and additional material to help develop knowledge and skills.
- PowerPoint presentation: Each trainer and student guide are supported by a PowerPoint presentation. The slides highlight key learning points.
- Trainer Guide Mapping: A trainer guide mapping is included with each unit of competency. It shows how the content of each guide aligns to the unit of competency. A trainer guide mapping is found in the 'Training' folder for each unit.

2. Assessment Materials

Assessment resources comprise of:

- User Guide: The User Guide provides important information relating to the delivery of quality training and assessment.
- Assessor Marking Guide: The Assessor Marking Guide includes assessment tasks, checklists and marking guidance. It also provides unit-specific advice on delivering assessment.
- Student Assessment Tasks: The Student Assessment Tasks include the tasks as well as guidance about how to complete each assessment. Submission information and relevant forms are also included. The Student Assessment Tasks can be found in the 'Assessment' folder for each unit.
- Assessment Mapping: A mapping guide is included as a separate document to show how each assessment task maps to the unit of competency. There is an assessment mapping in the 'Mapping' folder for each unit of competency.
- Supporting resources: Supporting resources include forms, templates and checklists that should be used when preparing for and marking assessment tasks. There are relevant supporting resources in the 'Assessor resources' folder for each unit of competency and a list of the supporting resources relevant to each assessment task in the Assessor Marking Guide.

3. Simulated workplace facilities

- Queen Anne Business College uses simulated workplace environments throughout our training and assessment processes.
- The simulated workplace is achieved by using equipment, tools, technology,

Course information for ICT40120 - Certificate IV in Information Technology	Jasmine Education Group	Version 5.0

Approved by RTO Manager	Page 7 of 11	

workplace conditions, legislation, quality standards and approaches to work that match those currently employed in industry.

- Our simulated workplace includes the following facilities and resources:
- Simulated organisation policies and procedures
- Simulated organisation forms, templates, plans and documentation.
- Relevant business applications including:
 - Microsoft Windows
 - Microsoft Office suite (Word, Excel, PowerPoint, Outlook)
 - DropBox and Google Drive
 - Zoom and Teams
 - Internet access at appropriate business speeds
 - IT hardware including personal computers, printers and other relevant office equipment including photocopiers and scanners.
 - Meeting rooms for simulation of interviews, meetings, and other workplace discussions.
 - Telephones and other communication equipment
 - Office furniture including chairs, tables, and cabinets.
- The environment is created to suit the specific unit requirements and the trainer reinforces understanding through relating to their own experience and through the use of learning materials e.g., textbooks, handouts, or videos. Depending on the unit content and context the classroom environment is adapted to recreate the simulated workenvironment.

4. Classroom facilities

All Queen Anne Business College classrooms are fitted with, or have access to, the following:

- Desks
- Chairs
- Whiteboard and markers
- Overhead Projector
- Data Projector
- Stationery required to complete activities.
- Air-conditioning, fans and/or heating

Additionally, campus facilities include:

- Photocopiers, scanners, and other office equipment
- Bathroom facilities, including facilities with disability access.
- Access to public transport
- Drinking water

All students are required to attend classes as part of their obligations when enrolling into this program, so facilities are available to all students.

Course Structure

This qualification consists of 20 units of competency. This qualification has 7 core units, 13 units are elective units.

Unit Code	Unit Name	C/E
BSBCRT411	Apply critical thinking to work practices for ICT40120	С
BSBXCS404	Contribute to cyber security risk management	О
ICTICT426	Identify and evaluate emerging technologies and practices	С
ICTICT443	Work collaboratively in the ICT industry	С

ICTICT451	Comply with IP, ethics and privacy policies in ICT environments	С
ICTPRG302	Apply introductory programming techniques	С
ICTSAS432	Identify and resolve client ICT problems	С
ICTDBS407	Monitor physical database implementation	Е
ICTDAT401	Evaluate organisational compliance with data ethics legislation	E
ICTGAM418	Use simple modelling for animation	Е
ICTNWK420	Install and configure virtual machines	Е
ICTICT449	Use version control systems in development environments	E
ICTICT445	Connect and configure devices and hardware components	E
ICTWEB431	Create and style simple markup language documents	Е
ICTCLD301	Evaluate characteristics of cloud computing solutions and services	E
ICTCYS401	Design and implement network security infrastructure for anorganisation	E
ICTDBS503	Create a data warehouse	Е
CUAANM412	Create digital visual effects	Е
ICTGAM422	Create design documents for interactive games	E
ICTXRE403	Design mixed reality solutions	Е

Students may enroll at the start of any unit within the course as the college offers a program of rolling enrolments

Course Attendance and Academic Progress

Course information for ICT40120 - Certificate IV in Information Technology	Jasmine Education Group Version 5.0
Last Updated: 01 Jan 2024	Next Review Date: 01 Jan 2026
Approved by RTO Manager	Page 9 of 11

- As an international student "satisfactory course progress" and "attendance" is required to meet visa requirements. More information can be found in the International Student Handbook that also includes information on the specific support that is available to international students.
- Students who are identified as being at risk of not meeting course progress requirements will be provided with additional support as recorded in an intervention strategy. The student handbook can be found online at http://gaec.nsw.edu.au
- Attending the sessions is highly recommended to progress academically.
- The student is advised to maintain a satisfactory level of attendance and maintain course progress on orientation day and throughout the course.
- The college will monitor attendance and course progress and will intervene where low attendance/progress is noted.
- The college is offering academic support to students to ensure they can complete within the enrollment duration. Example of academic support include:
 - Distance support by email.

<u>Assessment</u>

Assessment methods used for this qualification will provide a range of ways for individuals to demonstrate that they have met the required outcomes including:

- Projects
- Presentations
- Report writing
- Observations
- Questioning (oral or written)
- Group work and discussions (case studies, role plays), project (workplace research project),

At the beginning of each unit, trainers will outline the assessment tasks that must be completed.

Students Support

Students are supported by their industry experienced trainer via phone and email. All students will be provided with a range of learning support options and resources to help them achieve competency. This includes:

- Mentoring from trainers.
- Additional online classes, tutorials, and workshops.
- Language support
- Academic skills support as well as study skills tutorials.
- Computer and technology support.
- Referral to external support services when required.

Course Credits/RPL

- Students that already have a Statement of Attainment for a Unit of Competency may apply for Course Credit. Students that believe they already have the skills and knowledge required to demonstrate competency can request Recognition of Prior Learning (RPL).RPL may reduce the length of a student's course.
- QABC requires students to complete the Application for credit/RPL form for assessment by the relevant trainer. Evidence is required to substantiate previous knowledge/qualifications.
- QABC may require students to complete an assessment to demonstrate competency.
- If QABC grants the student course credit/RPL which leads to a shortening of the student's course before the student visa is granted, the CoE will indicate the actual net course duration for the course. If course credit/RPL is granted after the student's visa is granted, any change of course duration will be reported to DHA via PRISMS within 31 days after the event as specified under Section 19 of the ESOS Act.
- The granting of course credit may affect course fees as well as the duration of the course.
- This process is outlined in Queen Anne Business College related policies and procedures and Training and Assessment Policy & Procedures.

Timetable

- The college offers morning, afternoon, and evening classes from Monday to Sunday.
- Final confirmation of your timetable, including the timing of breaks, will be provided at orientation.

Other Related Policies

Please see the student handbook for details on all policies and procedures. The student handbook is available on your website www.qaec.nsw.edu.au

Consumer Rights

We will inform prospective students about their rights as a consumer, in accordance with NSW laws.
